CHRISTMAS PARTIES AT KENDELLS

We are thrilled you have decided to enquire about having your Christmas Party with us at Kendells. To ensure your meal is as enjoyable as possible, we would appreciate your cooperation with the following:

DEPOSITS

A deposit of £10 per person is required to secure your table. This will be deducted from your bill on the evening. Without a deposit we cannot confirm your table. The best way to pay is over the phone- 0113 243 6553.

We require deposit payments to be made within 7 days of making your booking. Failure to do so may result in your table being rebooked. If you experience any problems meeting the 7 day requirement please call the restaurant and speak with management.

If a member of your party is unable to attend please let us know at least 24 hours prior to your booking. Without prior warning that persons £10 deposit will not be returned.

If you need to cancel your booking completely we will issue a full deposit refund providing we are given at least 7 days notice.

PRE ORDERING

All diners will be required to pre-order their meal. (Don't worry we have a super up-to-date system that makes it just as easy for yourselves as it is for us!). All bookings will be set up with our online pre order system 'Easy pre-Orders'. We request all diners to pre-order their food choices using this system. We will set this up for you using your email address. This will be done once we receive your deposit payment. Pre-orders cannot be created until your booking has been secured by the deposit payment.

Preorders must be completed at least one week before your reservation. We can cater for all dietary requirements but please inform the restaurant of any requirements as soon as possible. Amending dishes on the night is not always possible.

ONCE YOU'RE HERE

All party bookings are allocated two hours with their table. This is non negotiable- we assure you it is plenty of time to enjoy all 3 courses. Please make sure all of your party arrive at the agreed time to allow a smooth service for all parties involved. Food service will commence 10 minutes after being seated.

All lunch time bookings MUST have vacated the restaurant by 4pm, this is essential as we will need to prepare for our evening service.

Due to the size of the restaurant and kitchen tables over 8 should expect to be split over several tables, we will keep parties close together with approximately 8-10 guests per table.

We cannot create several bills per party, all food and drinks will be on one bill. We are able to separate food and drinks providing this is arranged prior to or at the start of the meal. Requests to split bills at the end of your meal sadly cannot be met.

An optional discretionary service charge of 10% will be added to all bills.

We look forward to welcoming you!
